

VARSHA V

Bangalore • 7349359674 • varshasuma40@gmail.com • linkedin.com/in/varshav-

Highly motivated recent Computer Science graduate with strong proficiency in Python and database management. Completed hands-on projects including leaf detection and information retrieval using gen AI. Eager to apply technical knowledge and problem-solving skills to an entry-level software development role.

INTERNSHIPS

Salesforce

Virtual Internship

- Configured and customized Salesforce CRM solutions, improving client relationship management by 20%.

MindMatrix

Android App Development Using Gen AI Internship

- Completed industry-oriented internship focused on modern Android application development and Generative AI integration.
- Built mini-projects and practical applications following industry-standard development practices.
- Skills - Kotlin, Android Studio, Jetpack Compose, Git GitHub, UI/UX Design, Mobile App Development

PROJECTS

Pre-Schooling Management System

- Manages student records, attendance, and progress using a centralized database system.
- Automates admission, fee tracking, and reporting to reduce manual work and errors.

Musical World System

- Provides an interactive web interface for exploring and playing music using HTML, CSS, and Python backend.
- Manages user playlists, song libraries, and search functionality with dynamic and responsive design.

Leaf Detection and Information Retrieval using Deep Learning and Generative AI

- Detects plants using leaf tissues. Includes a website that explains the Ayurvedic uses of the plant.
- Implemented using CNN and Generative AI. Tools used include Ollama, Flutter, and Docker.

VOLUNTEERING & LEADERSHIP

NCC • 09/2023 - 02/2026

- Mangalore, Karnataka
- Completed C certificate.

SKILLS

Languages: Data Science, Deep Learning, Generative AI, Machine Learning, NLP, Python, SQL

Developer Tools:

Android Studio, Antigravity, Data Visualization, Google Cloud Platform, Power BI, VS Code

Technologies: GitHub

EDUCATION

Bachelor s in Computer Science Engineering [Data Science]

Alva's Institute of Engineering and Technology
Moodbidre,
Karnataka
11/2022 - 05/2026
